

Ramsgate Arts Primary School

Year 4 Curriculum

Morning Routines

All Year 4 children will be welcomed from 8.30 am each day at the classroom doors. They will unpack their bags and then find their seat. Each morning, the interactive whiteboard will outline the timetable for the day and also some Early Morning Work linked to their learning. This could be an English, Maths or Topic based activity. The children are expected to prepare themselves for the day by using the toilet before the register and also ensuring that their water bottle is filled up.

English

In Term 2, we shall be reading a wonderfully outrageous and thrilling children's novel called 'Krindlekrax'. This story has several weird and wonderful characters, including the mysterious creature known as Krindlekrax who lives in the sewers beneath Lizard Street. Over the coming Term, some of the writing we shall be producing, inspired by the text, will include character comparisons, poems, scripts and newspaper reports (which we shall develop from our scripts). We shall continue to learn about or revise key SPAG concepts, like the use of apostrophes for plural possession and the development of paragraphs, and will keep practising our dictionary and thesaurus skills too. As always, we will be using Drama and Art in the classroom to develop and support our writing further.

Reading

It is our expectation that children read for at least 10 minutes each night. They might do this through Bug Club, a banded book or a free choice book. All teacher communication is through the child's reading record which should be in every day but especially on a Monday. Reading should be logged 3x a week in the record. Children are also heard reading throughout the week in class with an adult.

Maths

We teach Maths daily and all sessions begin with an arithmetic starter and are followed by a main session of learning. This term we will be focussing on the following areas: Time, Fractions, Shapes, Statistics, Length, Mass, Volume and Capacity. There will also be a heavy focus on times tables, especially as children in Year 4 are expected to know all of their times tables (up to 12x) by the end of the year. Most areas of Maths depend on good times tables knowledge; please rehearse them with your children as much as possible at home.

RAPS Curriculum

This term, we will be starting with a Science topic called 'Forces and Magnets'. Within this unit of learning, we will explore what forces are, think about magnetism and test different materials and friction. The unit of learning will include different investigations to build and consolidate learning. Keep checking our blog to see our Topic learning.

PE

Year 4 will have PE every Tuesday and Wednesday afternoon. Please ensure that they have a full kit in school. They will be studying gymnastics this term.

General

Sipping water throughout the day aids concentration and learning. Please provide your child with a water bottle which they may keep with them throughout the day. It is vital that pupils arrive at school on time and that absence is kept to a minimum. Frequent lateness and absences can have a huge negative impact on a child's learning so please try to have your child in school by 8.30 am every day.

Uniform

Our school uniform exists both for health and safety reasons and to develop a sense of pride and responsibility in being a member of the RAPS community. The uniform policy includes the expectation that all children will wear black school shoes (trainers are not acceptable footwear), that long hair should be tied back at all times and that with the exception of a watch and a pair of small stud earrings NO jewellery may be worn by children. We also ask you to remember that children should not be wearing make-up or nail varnish to school and hair styles should not be extreme - this includes unnatural hair colours. The school's uniform policy is listed online. Please ensure your child is dressed according to this policy and that all items of clothing are clearly named.

Home Learning and Blogs.

Two 'Love to Learn' tasks will be sent home each term. These will be explained to the children and info will be uploaded onto the blog too. Weekly spelling will be sent weekly via the blog as well. Times tables should be practised at home and children are tested every Friday. Blog posts will keep you up to date with our classroom learning.

Arts Curriculum

Through our Arts curriculum the children will focus on Music, Dance, Drama and Art. These subjects will be taught across the week in the afternoons.
