

Morning Routines

All Year 2 children will be welcomed from 8.15 am each day at the classroom door. They will unpack their bags and then find their seat. Each morning, the interactive whiteboard will outline the timetable for the day and also some Early Morning Work linked to their learning. This could be an English, Maths or Topic based activity. The children are expected to prepare themselves for the day by using the toilet before the register and also ensuring their water bottle is filled up. The door will then be shut at 8:30 and the children must register their school dinner preference at the office if they arrive after this time.

English – This term we will be studying *I Will Not Never Eat A Tomato* by Lauren Child.

Lola is a fussy eater. A very fussy eater. She won't eat her carrots (until her brother Charlie reveals that they're orange twiglets from Jupiter). She won't eat her mashed potatoes (until Charlie explains that they're cloud fluff from the pointiest peak of Mount Fuji). There are many things Lola won't eat, including — and especially — tomatoes. Or will she?

RWI – At Ramsgate Arts Primary School we believe that phonic knowledge is the key to building a strong reader. At RAPS we follow the RWI programme. We firmly believe that no matter their age children should complete this programme to help them gain fully phonetic awareness. Therefore this year, some children will begin the year completing their RWI programme from Year 1 and others, who have completed the programme, will begin the year on an English – text based programme.

Reading

It is our expectation at Ramsgate Arts Primary School that children read for at least 10 minutes every night. Please sign your child's reading record when you read with them. Please also ensure that your child has their reading record at school **every day** so that they are able to read with another adult. Please also ensure all Reading Records are in on a Friday to be signed by Miss R-B. Children will be listened to once a week by an adult in school.

Maths - We teach Maths daily and all sessions begin with an arithmetic starter followed by a main session of learning. This term we will be focussing on the follow areas: place value and number. Most areas of Maths depend on good number bonds and times table knowledge; please rehearse them as much as possible at home. Particularly the 2, 3, 5 and 10 times tables.

RAPS Curriculum – This term we will be beginning a topic entitled 'Healthy Bodies, Healthy Minds'. This topic focusses upon how we can keep our body safe and healthy. This topic will also follow a PSHE aspect where we will think about diversity, bullying, our emotions and friendships.

PE –

Year 2 will have PE every Wednesday. Please ensure that they have a full PE kit in school. This term we will be studying Acro-Gymnastics. During which we will learn about different ways we can move our bodies and different ways we can travel using our hands and feet.

Uniform -

Our school uniform exists both for health and safety reasons and to develop a sense of pride and responsibility in being a member of the RAPS community. The uniform policy includes the expectation that all children will wear black school shoes (trainers are not acceptable footwear), that long hair should be tied back at all times and that with the exception of a watch and a pair of small stud earrings NO jewellery may be worn by children. We also ask you to remember that children should not be wearing make-up or nail varnish to school and hair styles should not be extreme – this includes unnatural hair colours. The school's uniform policy is listed online. Please ensure your child is dressed according to this policy and that all items of clothing are clearly named.

Home Learning and Blogs -

Spelling: Every week the children will be set spellings on a Friday, they will be tested the following Friday.

Times Tables Rock Stars: Please don't forget to sign into Rock Stars at least once a week to rehearse times tables with your child. The login details have been stuck onto a sticker in your child's reading record.

Love to Learn projects: Love to Learn projects will be set every 3 weeks. They will be based upon the current topic. Please keep up to date with the blog and class letters to find out the Love to Learn for this term!

Arts Curriculum -

This year the children are very lucky to experience 3 of our incredible Arts Curriculum teachers. On a Tuesday they will be taught drama with Mr Williams and on a Thursday they will be taught Music with Mrs Walton and Art with Mr Brown. The children are very excited and I am looking forward to seeing their creativeness shine!

General - Sipping water throughout the day aids concentration and learning. Please provide your child with a named water bottle which they may keep with them throughout the day.

It is vital that pupils arrive at school on time and that absence is kept to a minimum. Frequent lateness and absences can have a huge negative impact on a child's learning so please try to have your child in school by 8.30 am every day.
