

PE and Sports Funding Plan 2022-2023

Funding Information:

Total amount carried over from 2021-2022	0
Total amount allocated for 2022-2023	£19,560

Action Plan

Academic Year: 2021-22		Date Published:		Total Funding allocated: £19,800	
Key indicator 1: The engagement of all pupils in regular physical activity				Funding allocated: £9000	
Intent	Implementation	Funding	Impact	Sustainability and Evaluation / Next Steps	
Time for physical activity is continued to be maximised throughout the school day through lessons, play and outdoor learning opportunities and other physical health initiatives	Resourcing playtimes – equipment and storage facilitates active playtimes. The Sports Project – 30 minutes of additional sports per class per week – organisation and promotional resources Resourcing PE lessons and ensuring all equipment is checked and safe for use. Sports Coaches lead active play at lunch-break	Playground resources - £3000 Sports Project contribution £3000 PE lesson equipment and checks £3000	Equipment is fit for use to promote active play for all children through morning and lunch breaks. A range of activities can be offered. Sports Crew lead alongside Sports Coaches to promote effective games and activities. They promote the careful and appropriate use of equipment and support children to take part effectively. They are able to identify children and engage them in activity where necessary. 1k per day allows children to build upon physical	PE lessons and active play delivered for all children without fail throughout the school year – this is the fundamental basis of regular, daily physical activity for all children. PE lessons taught as core subject in continuous promotion of healthy and active lifestyles.	

PE and Sports Funding Plan 2022-2023

			fitness and resilience at their own pace.	
Key indicator 2: The profile of PESSPA being raised across the school as a tool for whole school improvement				Funding allocated: £4500
Intent	Implementation	Funding	Impact	Sustainability and Evaluation / Next Steps
Daily physical activity is normalised as part of a healthy life-style and children take every opportunity for physical activity	Sports Award per week – rewards in assembly School Games days (Sports Days) Dance taught in Arts curriculum Sports Leaders from UKS2 lead and manage activities, events and active play.	Resources / awards - £1000 Sports Crew resources - £500 Dance teacher £3000	Physical activity, PE and school sports are an intrinsic part of every child's school day. PE and physical activity are promoted – as important as core subjects and given same value. Staff actively promote physical activity and play as part of an everyday healthy lifestyle.	PE lessons and sports sessions run without fail every week. Playtimes are consistently managed to promote activity without barrier (apart from extreme weather conditions)
Key indicator 3: Increased confidence, knowledge and skills of all staff in teaching PE and sport				Funding allocated: £2500
Intent	Implementation	Funding	Impact	Sustainability and Evaluation / Next Steps
Sports Coaches work alongside teachers to continuously improve the quality of teaching and learning	Teachers work alongside Sports coaches to implement strategies in other areas of the curriculum	Release time for JG and LR + training - £1000 Contribution to Sports Project + groups- £1000 CPD release and resources for wider staff - £500	Through coaching, quality of teaching and learning continuously improves to promote excellence in lessons: engagement, skill and further participation in other activity. No time in PE lessons is wasted – learning is maximised through instruction.	Staffing and training allows for focus on excellence in teaching and learning and continuous professional development.

PE and Sports Funding Plan 2022-2023

			Class based and wider staff gain knowledge and understanding of how to implement physical activities throughout the school day to enrich lessons and promote activity	
Key indicator 4: Broader experience of a range of sports and activities offered to all pupils				Funding allocated: £1700
Intent	Implementation	Funding	Impact	Sustainability and Evaluation / Next Steps
PE lessons and extra-curricular sporting sessions allow for children to experience a wide range of sports and physical activities	Planning redesigned to ensure wide coverage of a range of sports Additional extra-curricular activities offered – both through existing staff and external providers Promotion of ‘easy to do’ activities – Surfing and Water sports experiences / lessons – Kent Surf School and Viking Bay	Resourcing £1300 Surfing / Viking Bay activities + potential transport £400	Broad range of activities can be appropriately taught through PE lessons due to planning and adequate resources. Range of clubs offers children many opportunities to engage with sport – both during the school day and through extended day for KS1 opportunities. A range of alternative sports and events explored to further promote enjoyment and engagement. Promotion of safe use of local coastline for sporting activities.	PE and sports sessions run uninterrupted and encourage children to actively try and experience a range of events / sports / games. The promotion of experiencing new activities promotes life-long interest in unfamiliar sporting activity. Events promote wider opportunities outside of school (Viking Bay etc.)
Key indicator 5: Increased participation in competitive sport				Funding allocated: £2100

PE and Sports Funding Plan 2022-2023

Intent	Implementation	Funding	Impact	Sustainability and Evaluation / Next Steps
<p>Competition opportunities are exploited and clubs used to engage and prepare children for competitions</p>	<p>Passport membership (Thanet) Clubs linked to upcoming competitions Viking Games – inter-school competition Involvement and promotion of larger scale events – Quex and Thanet Road Runners Cross Country; Waterloo Trophy; Thanet Water Gala; Super Saturday etc.</p>	<p>Membership - £700 Water gala entry fee tbc Additional costs for transportation to events or competitions £400 Sports-wear and kit for competition £1000</p>	<p>Children benefit from the involvement in and engagement in competition and apply learned skills to events. Sport builds community and pride in self and school through taking part and representation. Participation builds self-esteem and resilience – encouraging continued activity.</p>	<p>Involvement allows children to apply, build and transfer skills. Competitions build collaboration and teamwork, encouraging further participation. Clubs and competitions are inclusive for all children and all are actively encouraged to participate. Kit allows for school representation – sense of pride and belonging – builds involvement in school sports. Competition promotes involvement in activities outside of school – football, running, swimming etc.</p>
