

8.6.20

IALT add with number bonds within 10 using part part whole

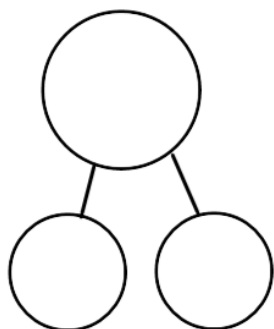

How can I find the missing part?

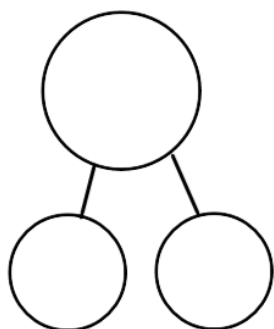

Are there other ways to make 9?

$$\begin{array}{rcl} 9 & = & + \\ + & = & 9 \end{array}$$

$$\begin{array}{rcl} 9 & = & + \\ + & = & 9 \end{array}$$

$$\begin{array}{rcl} 9 & = & + \\ + & = & 9 \end{array}$$
