Peepo! By Janet and Allen Ahlberg

Peepo!

Here's a little classroom,
One, two, **three**,
Look through the window,
What do you **see**?

I see a busy teacher
Children on the **floor**
Lots of hands up in the air
Wait, there's even **more...**

I see a painting table
With red and green and **blue**
Cutting with the scissors
Sticking with the **glue**
