

I know the countries of the UK and their capital cities.

Look at the map of the United Kingdom below.
Label the different countries in the blank boxes.

Use the name of the countries below to help you.

England

Scotland

Wales

Northern Ireland

Use the capital city names to label under the country name

Cardiff

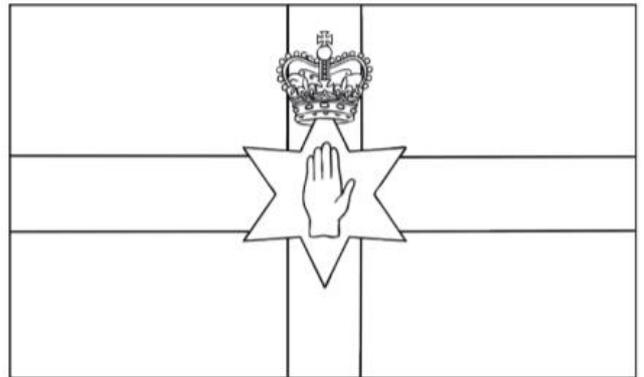

London

Edinburgh

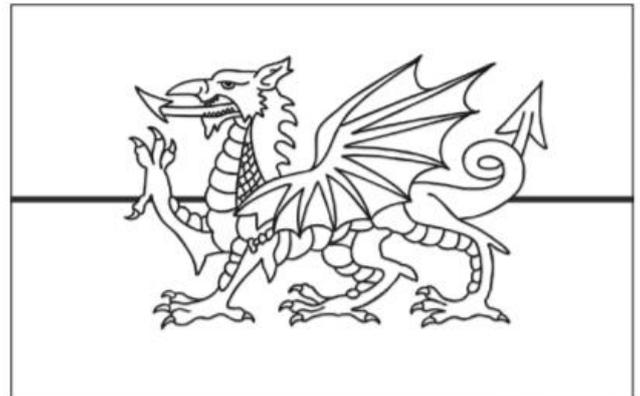

Belfast

Can you colour in the country flags correctly and then link the flags to the correct country?

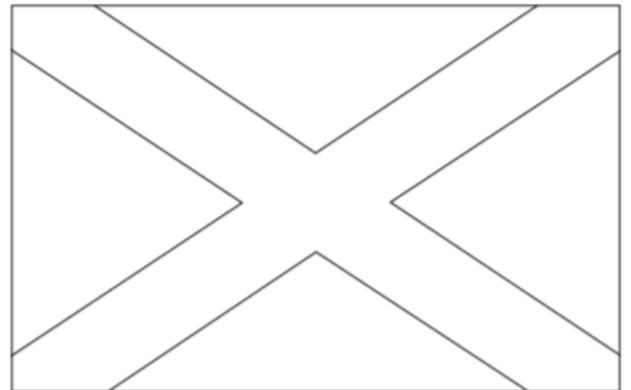

England

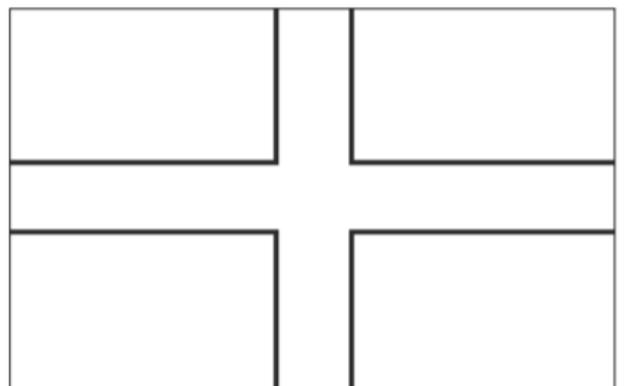

Northern Ireland

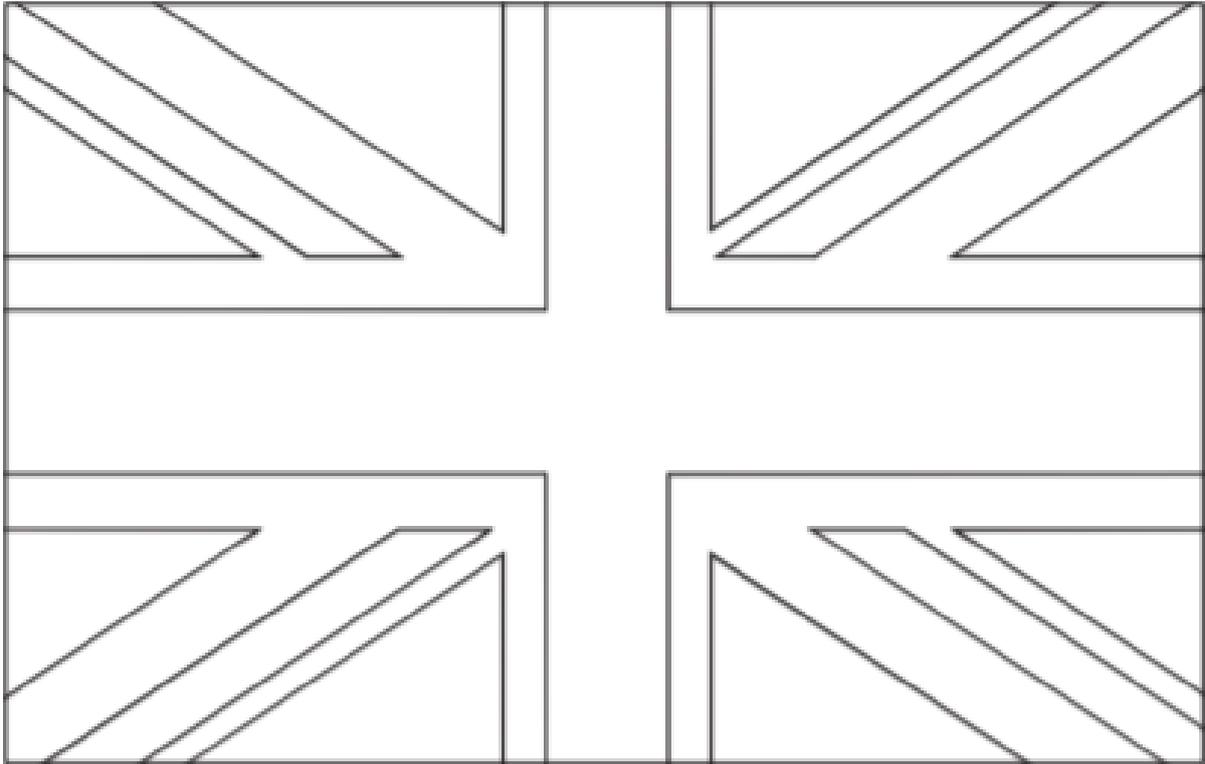

Wales

Scotland

Can you colour in the Union Jack Flag?

Do you know which countries celebrate these plants as their emblems (symbols)?

**Each country in Britain has
its own patron saint and
floral emblem**
