

A Social Story about my class Christmas Party

On Monday my class will be having a Class Christmas Party.

The Party will be after lunch during afternoon school.

I can wear my P.E kit with a Christmas Jumper over the top.

I can bring in party food to share with my class.

My teacher will have made a Blog post about the party so my adults will know what to food is O.K for me to bring in.

At the party I can play games and have fun with my friends.

If the party becomes too loud for me, my teachers will help me find a quiet place to sit or get me some ear defenders.

I can have fun with my friends at the class Christmas Party.
