

## Number Day at RAPS

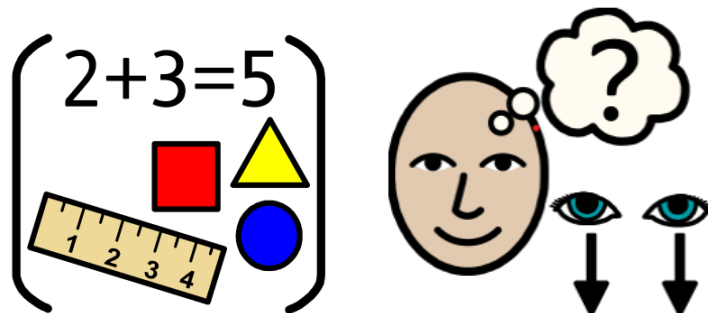

During STEAM week at RAPS, we will still have our annual Number Day. It will be on Tuesday morning.

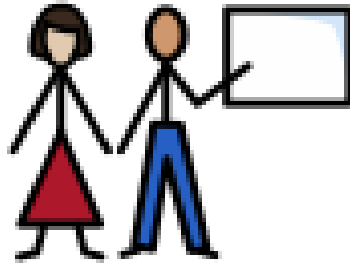

On Number Day my timetable will be different.

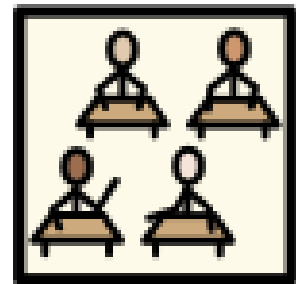

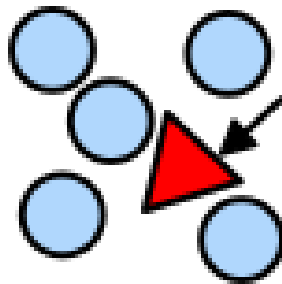

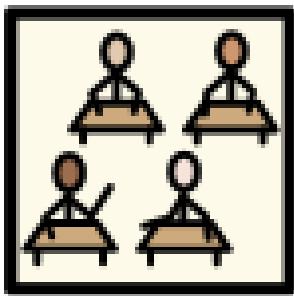

On Number Day, I will be able to take part in games and investigations all about numbers.

This is different from the things I normally do. My teachers will tell me what to do.

On Number Day I will spend some time in my classroom, and I will spend some time in different classrooms at school as well.

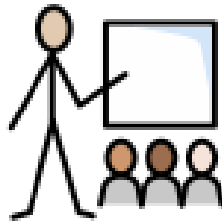

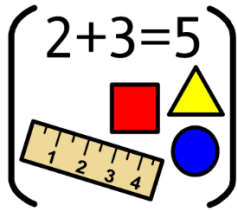

I will be in a group with some of the other children from my class. I will be doing games and activities about numbers.

Some of the games and activities may be led by my teacher and some will be led by one of the other teachers - my teacher will make sure I know what to do.

I will spend Number Day enjoying games and activities with other children and adults in my school.

# Number Day 2026

I will be back with my class teacher after lunch.
