

Dear Parents / Carers

There is still time to get the nasal flu vaccination. Even though it's best to get vaccinated as soon as the flu vaccine is available, getting the vaccine later still can help protect against the flu virus. There are still a few months left in the flu season, so it's still a good idea to get vaccinated. The Kent and Medway Immunisation team is running clinics over the February half term, to book a clinic appointment please contact them on kchft.cyp-immunisationteam@nhs.net or 0300 123 5205

Kind Regards
