

Name: _____ Date: _____

Work with a partner. Take turns asking questions about a community in your local area that your partner belongs to. It might be a church group, a sports team or a club. Try to find out about the activities, rules and beliefs of your partner's community. Write key information in the table below.

<p>Name: _____</p> <p>Community: _____</p>	<p>Name: _____</p> <p>Community: _____</p>

When you have finished, highlight any similarities between the two communities. What do you notice?

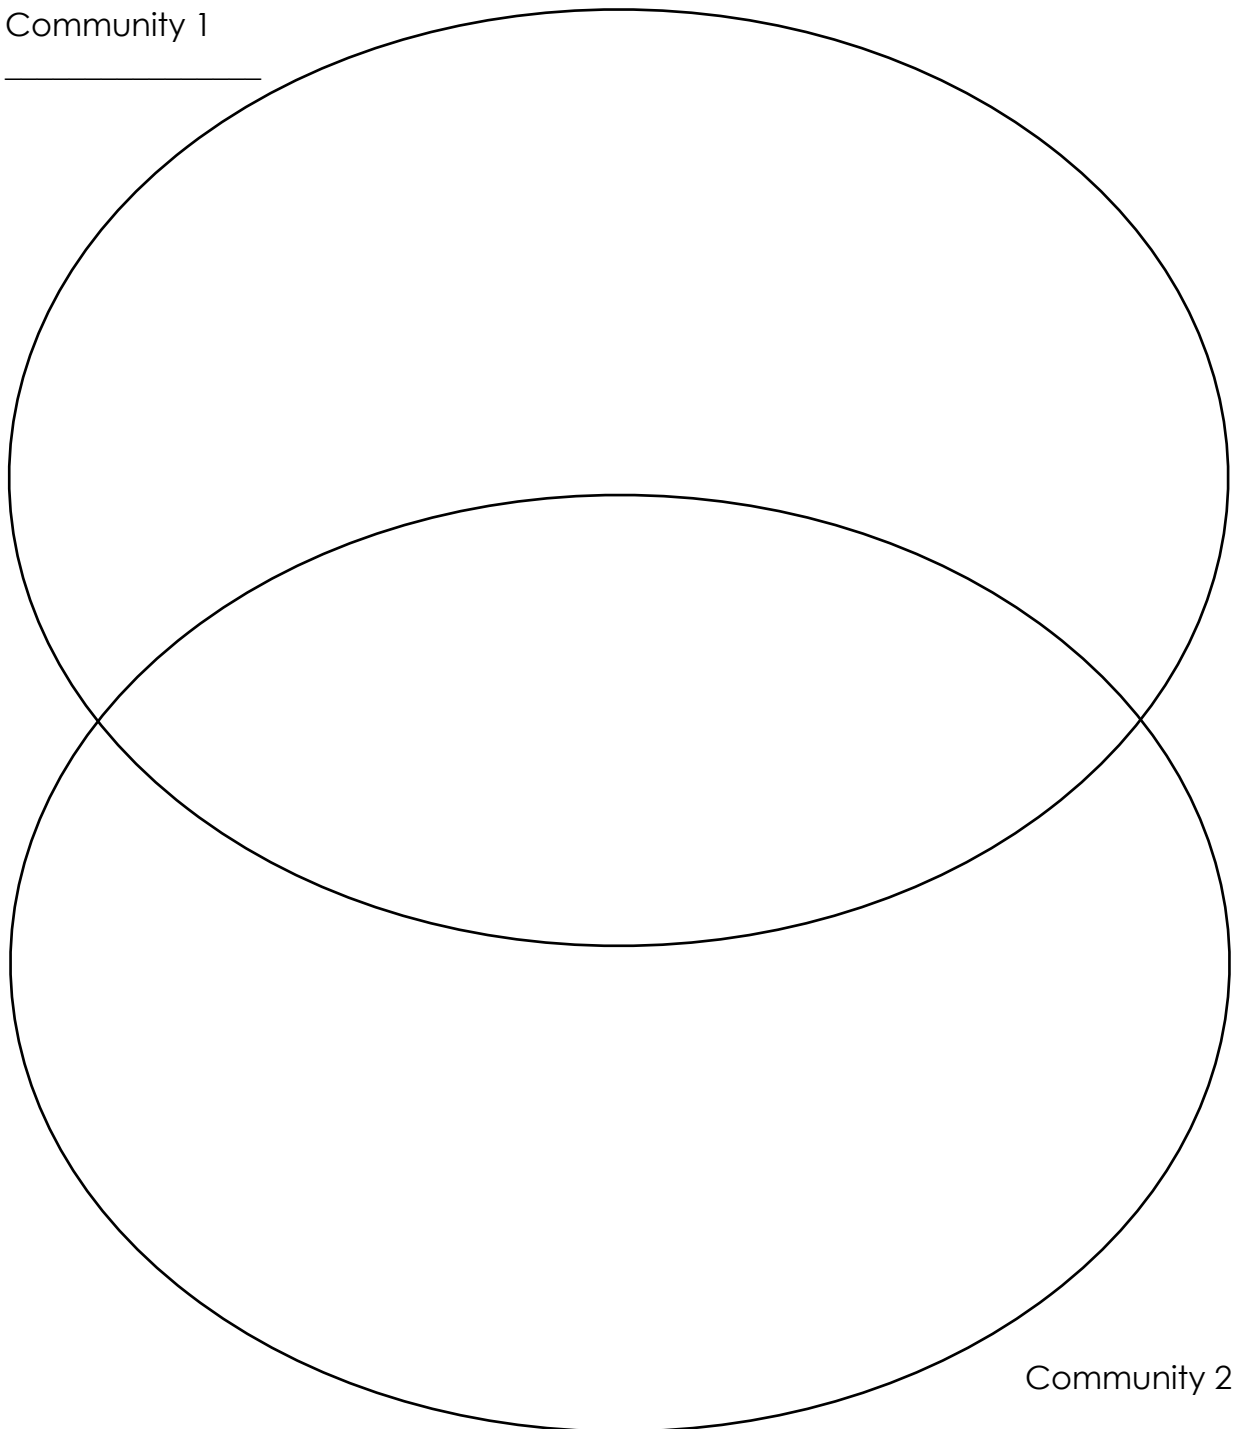

Name: _____ Date: _____

Work with a partner. Ask each other questions about a community in your local area that your partner belongs to. It might be a church group, a sports team or a club. Try to find out about the activities, rules and beliefs of your partner's community. Write key information in the Venn diagram below, adding things which are different to the separate sets, and things which are similar to the area where the sets intersect.

Community 1

Community 2

Name: _____ Date: _____

Work with a partner. Ask each other questions about a community in your local area that your partner belongs to. It might be a church group, a sports team or a club. Try to find out about the activities, rules and beliefs of your partner's community. Write a description of your partner's community below, including information about things which are similar/different to your community.

All About _____'s Community

Community name: _____

Community Activities

Community Rules And Beliefs

Similarities With My Community

Differences Compared To My Community

1

I am a Muslim. I would like to be able to pray at a local mosque.

2

I like dancing, singing and acting. I would like to join a club that meets every week.

3

My favourite exercise is swimming. I like to go regularly, so I would like to find somewhere to swim locally.

4

I am a Catholic Christian. I would like to go to church services.

5

I would like to volunteer for a society that organises events to raise money for charity.

6

I am a Hindu. I would like to visit a Hindu temple.

7

I am Jewish. I would like to be able to visit a synagogue regularly.

8

I would like to join an athletics club.

Name: _____ Date: _____

Look at the Community Groups Cards. Use the internet to find community groups or places of worship in your local area for each of the people described. When you have finished, answer the questions below.

Write the names of the community groups or places of worship you found for the people on each card:

1	2
3	4
5	6
7	8

Did you find a choice of community groups for some of the people described? Write about their choices:

Did you find it difficult to find community groups for any of the people described? Why do you think it was difficult?

Would any of the people described have to travel outside of your local area? Who would have to travel furthest? How far?

Who would feel most 'at home' in your local area? Who would feel least 'at home'? Why?
