

Term 3 topic - A World of Weather Art to Start Friday 17th January.

Next week we will be starting our new topic entitled "A World of Weather" and we start each topic with a relevant "Art to Start". For this term's topic art to start, we are planning to make colourful rainbow pictures:

This is a science-based technique and involves using a couple of drops of clear nail varnish dropped into water. We are aware nail varnish has a strong smell but it only takes about 10 seconds to drop the varnish into the water and we will make sure the classroom is well-ventilated. However, if you have concerns please let me know.

You are cordially invited to join your child and help them create their rainbow artwork on Friday 17th January at 1.45pm. The session will last around an hour. Please indicate if you are able to attend below.

Kind regards

Sally Smart
Year 1 teacher

I can/not attend the Art to Start afternoon on Friday 17th January
