## LOVE TO LEARN

## Week ending: Friday 8 ${ }^{\text {th }}$ June

Some children requested homework, so here are optional tasks! Due in Fri $15^{\text {th }}$ for HPs.

## MATHS:

Recently the children learned how to find fractions of amounts using the bar model. Use this method (with crosses or times tables knowledge) to solve:

1. $\frac{1}{4}$ of $20=$
2. $\frac{1}{4}$ of $28=$
3. $\frac{1}{2}$ of $24=$
4. $\frac{5}{6}$ of $12=$
5. $\frac{2}{3}$ of $21=$
6. $\frac{3}{5}$ of $35=$

## \& b E <br> SPAG:

This week we reminded ourselves about vowels and consonants, and how this decides whether you use 'a' or 'an'. Try to complete this table with ticks:

|  | 'A' | 'An' |
| :--- | :--- | :--- |
| stunning view. |  |  |
| awesome day out. |  |  |
| wonderful test score. |  |  |
| exciting adventure. |  |  |
| interesting topic lesson. |  |  |
| thrilling hockey match. |  |  |

Extension: Write 2 sentences including ' $a$ ' and 2 sentences where you use 'an'.

## Logic problem!

Can you work out the value of each shape?

| $\bigcirc$ | $\Delta$ | $\Delta$ | $\cdots$ | 16 |
| :---: | :---: | :---: | :---: | :---: |
| $\cdots$ | $\bigcirc$ | $\bigcirc$ | $\bigcirc$ | 14 |
| 入 | $\bigcirc$ | H | $\Delta$ | 16 |
| $i$ | $\cdots$ | H | N | 20 |
| 17 | 15 | 17 | 17 |  |
