

## Term 6 Art Competition

### The Surreal Art of Salvador Dali

The Persistence of Memories

An enormous thank you to Mrs Walton for her inspiring assembly about the life and work of the surreal artist Salvador Dali.

For this term's art competition you can create a piece of art inspired by one of Dali's artworks. There is no limit to the medium you can use. You must capture his idea of a "Hand painted dream photograph".

You might decide to produce a sculpture in clay or papier mache, based on his melting watches, (*The Persistence of Memories*) or his *Lobster Telephone*. You could opt to paint a watercolour version of his dream-like elephants. Alternatively, you could use collage to recreate *Swans Reflecting Elephants*. You could even illustrate your own dream. Just let your imagination run wild!

Remember to mark all entries clearly on the back with your full name & class. All your marvellous, imaginative creations should to be handed to me by Wednesday 18th July 2018.

The Elephants

Enjoy creating!
